## HEADTEACHER'S MESSAGE

Dear Parents and Carers,

Please note we have one vacancy for a parent governor. If you are interested in standing as a school governor, **nominations close this Friday, October 21st**. See inside this issue for further details. Governors have a very important role to play in supporting the continuous development of the school so I would urge you to consider standing if you feel that you are able to make a contribution.

This remainder of this week's message consists of very sad news. We learned on Monday of the death that day of one of our students, **Dilara Ozbek**, Year 10, following a long illness. She fought her disease with great courage, and even chatted to several of her school friends in hospital just days before she died. She will be remembered by her friends and teachers for her friendliness and her sense of humour. Dilara will be much missed by IOF in particular but also by all members of the school, students and staff alike who will wish to keep her memory alive in school. In recent weeks, she and her friends from her tutor group had been planning a fundraising event for the charity of her choice, the **Bone Cancer Research Trust**. So, in conjunction with her family, the school will be organising a number of events to raise funds for this trust which supported her and her family through her illness. There will be opportunities for you as parents and carers to donate to this charity via your daughters in the coming weeks when our fundraising event

takes shape, so please keep an eye out for messages in the *Greensheet*.

We do have a school counsellor and learning mentors in school; if at any time you feel your daughter would benefit from having someone to talk to in school, please contact your daughter's SPL via the school switchboard.

On behalf of all of our staff, I wish you a peaceful, healthy and safe half term break,

Best wishes,  
Meryl Davies

## Walthamstow School for Girls

A Mathematics and Computing Specialist School  
with a Second Specialism in Applied Learning

Headteacher: Ms M Davies BA (Hons) NPQH

Church Hill, Walthamstow, London, E17 9RZ

Tel: 020 8509 9446

Fax: 020 8509 9445

6<sup>th</sup> October, 2016

Dear Parent/Carer

Walthamstow School for Girls has a vacancy for a parent or carer to serve as a school governor and I hope you will consider putting yourself forward. The term of office is four years but you can step down earlier if you wish. The Governing Body's main tasks are to support the school, ensure that students receive high quality education and plan for future development and improvement.

If you would like to stand as a candidate please complete the reply slip attached and return it to the school no later than Friday 21<sup>st</sup> October, 2016.

If there is more than one candidate an election will need to be held but this is a straightforward process. All you need to do is write a short paragraph (no more than one hundred words) saying why you want to become a Parent Governor; this will be sent to all parents and carers with a voting paper.

Should there be only one candidate apply then this person will automatically become our Parent Governor.

The work of our governors is very important to the school in key areas such as oversight and development of the ethos and curriculum of the school; well-being of pupils; staff employment and use of resources as well as ensuring that the school maintains its high standards in all areas. You will be asked to attend an (evening) meeting of the Governing Body once (or twice) a term and invited to work on a committee of governors again once (or twice) a term. We hope you will also visit the school occasionally during the day and help in the oversight of an area of the curriculum. We are not looking for any particular expertise but rather common sense and willingness to give some of your time are the important requirements. However, if you have specialist knowledge or relevant experience, do please mention it in your statement. Training will be provided for new governors in the role.

As a school we are always mindful that the Governing Body should reflect the local community that the school serves and members of ethnic minority groups are therefore particularly welcomed on the Governing Body and are encouraged to stand for election as parent governors.

Governors will also be subject to a Criminal Records Bureau (CRB) check under the Police Act 1997, Part V and will be checked against the DFES List 99 of people who are not permitted to work with children.

Yours faithfully

Meryl Davies  
Headteacher

**Please return this slip in an envelope marked for the attention of Ms Royds and return to the school office by Friday 21<sup>st</sup> October, 2016.**

I wish to stand as a candidate for election as Parent Governor at Walthamstow School for Girls.

First name: .....

Family Name (Mr/Mrs/Ms etc.): .....

Signed: .....

Home Address:.....

These details will appear on the ballot paper sent to parents.

**Remember to include your statement (no more than one hundred words) saying why you want to be a school governor.**

**Focus of the Fortnight**  
**17<sup>th</sup> October– 4<sup>th</sup> November 2016**  
**The Focus**  
**Punctuality to School**

**The Sanctions**

- If you are late to school (without a good reason such as an appointment – traffic is NOT a good reason) you will be given a 10 minute detention at the end of each day of lateness with your Tutor.
- If you are late twice in a week, you will be given a half hour detention with your SPL the following week.
- If you are late three or more times in a week, you will be given an hour's detention with Ms. Pratt the following week.
- If you reach eight lates, you will be placed on a two week punctuality report by Ms. King. Your punctuality will be closely monitored and your Parents / Carers will be informed of any improvements.  
You will also be rewarded if you improve your punctuality.
- **Remember** - being on time is a good habit to form!

## Year 11 Mock Examinations 2016

The Year 11 Mock Examinations begin **on Monday 14<sup>th</sup> November and finish on Wednesday 30<sup>th</sup> November 2016**. The MFL speaking controlled assessments begin on Monday 7<sup>th</sup> November and finish on Friday 11<sup>th</sup> November 2016.

Students will receive copies of their individual Mock Examination timetables via Form Tutors before half-term and there are details of these mocks on the school website:

<http://www.wsfg.waltham.sch.uk/exams-and-controlled-assessments/year-11-summer-examination->

Please ensure that students are in full school uniform and have all the equipment they need for these exams.

Many thanks.

The LRC will be hosting the “Untold Story” Project, which was successfully launched at the National Archives in October.

From November, students in KS3 will be using the exhibition to find out more about the impact of the war on the peoples of West Africa.

The First World War had a great impact on West Africa, as Britain ordered the invasion of German colonies in Cameroon and Togoland, using its own colonies as bases. The West African Frontier Force, drawn from Sierra Leone, Ghana, Nigeria and Gambia played a key role in the campaign. War had also had a great impact on the civilian population, as the British drew off workers and resources. How did African soldiers experience the campaign? What did the war mean for West African societies as a whole?

## Black History Events

This month is Black History Month and we have been celebrating it in our school community in many ways:

Three Year 9 Equal Opportunity students devised a PowerPoint for our TV monitors and an assembly on the achievement of black people (Barack Obama, Nelson Mandela, etc.). One Year 11 student has worked with me on PSHE lesson plans to incorporate discussions and debates around the Black Lives Matter movement. Two Year 11s devised a presentation on the love story between black man Seretse and white woman Ruth in a difficult racial context of the 40's in Europe and Botswana. Two Year 10s explained the origins of the celebration of Black History Month in 1926 and its original goal in another presentation.

Here is a poem from a Year 11 student written for a competition and recited in a special assembly. Further poems can be seen in the next issue of the *Greensheet Plus*.

Diversity Coordinator

## Black Lives Matter

A bullet away from a hashtag, that's what we are  
If the world stays this way, we won't get far  
They say racism is dead but yet blacks die every day  
Slaughtered for their melanin yet they were born that way  
Tamir Rice, Alton Sterling just a few I can name  
They say things are changing but it still stays the same

Would you like to explain why they had to die?  
To the mothers, wives, and families who struggle to get by  
Knowing their sons and daughters were taken unlawfully  
While society tiptoes around the problem cautiously  
Pretending those police did what they had to do  
Would you be saying the same thing if it was you  
Mike Brown died saying 'Hands up don't shoot'  
Would it be different if he were not wearing a hoodie but a suit?

Why must the colour of my skin define me?  
Open your eyes to what you don't want to see  
From the times of slavery to even right now  
Why won't you let us be black and be proud?  
You try to oppress us but we get stronger everyday  
We will fight this in each and every way  
You can't hide from us we're everywhere you look  
From the music that you listen to, to the way you want to look  
Can you believe that the slang you are using  
Comes from the very people that you are abusing  
When will this stop? When will this end?  
When can we throw down our weapons and just be friends

I know these words mean nothing to the ones who lost their lives  
And it's probably insignificant to the ones they left behind  
But we will continue fighting through sunshine or rain  
To ensure that those who died did not do so in vain.

## Year 8 Mental Health Trip

On Thursday 13<sup>th</sup> October twenty five Year 8 students went to Ilford Town Hall to attempt to set a Guinness World Record for the largest mental health lesson. This was hosted by *Hussain Manawar*, a young local YouTuber who won a global competition to go into space. He is a huge advocate of support for mental health issues and has dedicated his winnings to this cause.

We all had a brilliant time. The mental health lesson itself lasted thirty minutes and was really interesting and informative. To add to the experience *Hussain* invited lots of guests and some celebrities to support the cause too. See below for some accounts from students.

Ms Philippou  
Assistant Headteacher

*I learned that life isn't what we see on social media, and people think depression is sadness, people think depression is crying, people think depression is dressing in black. But people are wrong. Depression is the constant feeling of being numb. Being numb to emotions, being numb to life. You wake up in the morning just to go to bed again. Days aren't really days; they are just annoying obstacles to be faced. And how do we face them. Through medication, through drinking, through smoking, and through cutting. When you are depressed you grab on to anything that can get you through the day. That's what depression is, not sadness, tears. It's the overwhelming feeling of numbness and the desire for anything that can help you to make it from one day to the next one.*

*Denisa Raducan 8V*

*On Thursday 6<sup>th</sup> of October 2016 myself and some other students who applied to try to break the record of the world's largest mental health lesson, travelled to Ilford Town Hall to participate in this once in a life time opportunity. Ms Desbenoit, Ms Jean-Baptiste and Ms Phillippou kindly assisted us at this special event. Although 321 people appeared at the Ilford Town Hall, sadly we didn't break the record. The day was however turned around to the positive side because many celebrities came and everybody learned many new things about mental health. There were many inspirational speeches which was followed by exiting performance by WSRTN."*

*Naimah 8F*

*I went to Hussain House to take part in the Guinness world record and it was wonderful, I had the best time of my life the lesson it was very educational and enjoyable.*

*Abena 8F.*

*I had lots of fun on the trip. I learnt so much more about mental health, I didn't know half of the things I learnt on this trip. As well as learning so much about mental health, I got to meet so many amazing people like, WSTRN, Jahmene and so many more. This was definitely a trip that I would go on again.*

*Muskaan 8F*

*The thing I enjoyed the most was meeting Lois from WSTRN and Jahmene and the speech WSTRN gave. I had a really fun day, I got to enjoy it with my friends from my year. We had the mental health lesson at Ilford Town Hall. Sadly, four schools backed out so we didn't have 400 people; we did not break the world record. On the bright side, we had a great day and learnt a lot.*
